

Water Utility Trainee

## **SAN ANTONIO WATER COMPANY**

### **Water Utility Trainee**

F/T – 9/80 work schedule – Every other Friday off  
[M-Th 6:30am to 4pm; F 6:30 am to 3 pm] \$14.48 – 18.10/hr  
Closes October 3, 2019

Under close supervision, performs unskilled and semi-skilled work in assisting and supporting higher-level maintenance staff in the installation and repair of water service systems and facilities, including pipelines, valves, hydrants, meters, and buildings. Excavates and backfills trenches using hand tools. Makes oral and written reports for work performed; completes basic records, such as work orders and timesheets. Minimum qualifications include methods, techniques, tools and equipment common to public works construction fields, basic knowledge of the water industry, principles and practices of sound business communication, operations of computers, and safety work practices. Any combination of education and experience that would provide the required skills, knowledge and abilities necessary for satisfactory job performance is qualifying. Position may involve hours outside of normal working hours. Possession of a current California driver's license and a satisfactory driving record are required. Full benefits are offered.
