THIS PERMIT SHALL BE MADE AVAILABLE FOR INSPECTION AT ALL TIMES.

- o Upon approval of this application and payment of the current fees and charges, San Antonio Water Company will deliver and chain the meter to the designated hydrant location noted above.
- o You must notify us when you have finished using the hydrant meter and it will be removed.
- o Availability and commodity use charges will be billed monthly. Should the meter be damaged beyond repair or lost, the full deposit amount will be forfeited.
- o The applicant will be held responsible for any illegal use of a hydrant by any or all individuals working for and/or under the direction and supervision of the applicant.
- o Anyone taking water from a hydrant without a meter or the express written permission of the Company will be assessed \$100.00 per incident for water that has been taken. Any act of this kind is a violation of law, and may be subject to a fine and/or imprisonment.
- o The hydrant meter is to be used for the purpose as above stated. If the meter is needed for any other work the company must be notified.
